Hi Chris,

I now have access to email again. Please see the information below and the attachments regarding what we sent to OAR. We then worked with Carissa Cyran, who transmitted everything to OP. I will send you any additional emails that I have.

Thanks,

Dee

Hi Wash Ops – Here is a proposed action for OAR’s review, concurrence and transmission to the Office of Policy for OMB review. OAQPS thanks Region 8 for the opportunity to review and assist with the processing of this action (Mike Koerber and Bruce Moore have reviewed).

Included are drafts of the proposed FIP action, action memo and fact sheet. Also included is the OMB transmittal memo. Please note that Janet and Debbie are aware of this proposal and have received advance copies.

Please let us know if you have any questions or need anything further. thx rc
